The Mosaic Research Grant supports faculty-led research projects related to IU classroom spaces in the amount of up to $5,000. Selected projects will contribute to the understanding of the role that classroom environments play in teaching and learning at Indiana University with the goal of publishing their findings.

**Grant Benefits**
In support of their work, grant awardees receive:

- A research stipend paid into a research account
- Personalized support from Mosaic staff for all parts of the research and publication process
- Opportunity to present in the Mosaic Research Webinar series
- Engagement with other grant awardees involved in research on IU classrooms

**Grant Eligibility/Requirements**
Mosaic Research Grant awardees must meet the following requirements:

- Be a Senior Mosaic Fellow (have completed the Mosaic Faculty Fellows program)
- Be able to share research in the Mosaic Initiative webinar series

**Application Deadline**
May 15, 2021

**Funding**
Funding can be used for a variety of research-related expenses, including:

- Data collection and analysis
- Equipment purchase
- Research assistant support

**Disbursement Dates**
Early June 2021

Mosaic Research Grant
2021 Application

Application Directions
Submit the following application materials to mosaic@iu.edu
☐ The completed 3-part application
☐ A Curriculum Vitae
☐ A letter of support from a department chair, unit head, or dean

Due Date
May 15, 2021 by 5:00 pm EDT

Part I | Contact Information
Name:
Title:
Department/School:
Phone:
Email:

Part II | Abstract
Please include a summary of your research project in 250 words or less.

Part III | Project Description
Successful applicants will discuss how outcomes from their research will contribute to the understanding of the role that classroom environments play in teaching and learning at Indiana University. Please describe your research project including your:

  - Research question(s)
  - Research methodology
  - Plan for data collection
  - Explanation for how your project and subsequent publication will contribute to the literature on active learning classrooms
  - Schedule and budget for project
  - Plan for publication and anticipated journal(s) for submission
